

Growing Learners

Private School

NOW ENROLLING FOR 2023-2024!

Growing Learners Academy is a private school for children PreK-6 with developmental disabilities and behavioral needs. Our students will benefit from individualized approaches to their academics, life skills, and social needs. We offer ABA services to students that qualify. A hybrid homeschool program for grades K-12 is also available.

We offer:

- Small class sizes, ensuring more one-on-one attention for your child
- A fun, creative, and positive social environment to learn and thrive
- ABA services available with no wait-list for qualified enrolled students
- Hybrid homeschool program for K-12
